

DEPARTMENT OF ECONOMICS

ADMITTED TRANSFER STUDENT

General Information for all College of Arts and Sciences students can be found on the College's [New Transfer Student Page](#).

The following is specifically for transfer students who intend to major in Economics.

Register for a Mandatory Campus Orientation

If you have not already done so, you must register for one of the campus orientation sessions. Please follow the links below to register for the appropriate session.

[Orientation Registration](#) and [International Orientation Info](#)

International students should be sure to attend International Student Orientation.

Pre-Orientation Advising

Once you have registered for orientation, you should make a Pre-Orientation appointment with the Economics advisor. A Pre-Orientation Advising session will provide you with all of the necessary information to transition successfully into the University of South Florida and give you the opportunity to register for courses **prior** to your orientation date.

If you elect not to schedule a Pre-Orientation advising appointment, you will need to wait until your scheduled orientation session in order to register for courses. We encourage all of our students to schedule one of these appointments, as early as possible, courses can fill up quickly.

To schedule a Pre-Orientation appointment, please follow the instructions below:

- Log-in to the USF E-scheduler with your NetID, by clicking on the button below
- Select Tampa Campus
- Click the Economics (College of Arts and Sciences) option

- Choose Pre-Orientation Advising as your Reason for Appointment
- Select a date and time most convenient for you

You can schedule appointments up to two weeks in advance. As a Pre-Orientation transfer student, if you are having trouble scheduling an available appointment within the next two weeks, please e-mail the [Economics Advisor](#).

We feel that in-person appointments are the most effective way to assist students in their transfer to the university. However, we do not want a student's inability to travel to the USF Tampa campus from excluding them from the benefits of early advisement and registration. If you are unable to attend an in-person appointment (i.e., Out-of State students), please contact us at the above e-mail address, so that we can make provide alternative arrangements.

Once you have successfully scheduled your Pre-Orientation Appointment, please e-mail the [Economics Advisor](#) with the following information:

Subject Line: Pre-Orientation Transfer Student Appointment

E-mail Body: Formulate a professional e-mail that includes the following information:

- Full Name and U#
- Name of the Advisor you scheduled an appointment with
- Date and Time of Appointment

Attachments: A copy of your unofficial transcript, so that your advisor can prepare for your appointment ahead of time.

Prepare for your Advising Appointment

Please complete the following prior to your Pre-Orientation Advising Appointment:

1. Watch the College of Arts and Sciences [College Overview](#)
 - **Please feel free to pause, rewind, and rewatch this video. Bring any questions you have with you to your appointment.**
2. [Review the Economics Major information here](#) & via the [Economics Department website](#)
3. Watch the MyOrientation video and familiarize yourself with your OASIS, DegreeWorks, and the Schedule Search.

4. Check your Account Holds in OASIS and work to remove them, as these can delay your registration.

We look forward to meeting with you soon!

Out-of-State or Private School Transfer Students

Economics courses taken at Out-of-State and/or or private schools will need to be evaluated. This process has many steps and can take some time to complete. To start this process early, please review the [Transfer Course Evaluation](#) page. You can also find links to the [English](#), [Math](#), [Chemistry](#), and [Physics](#) departments' course evaluation instructions here as well.

Prepare for Registration

Advisors will not register you for classes.

- Once you have met with an advisor, you will be informed of the date and time in which you are eligible to register.
- To Register for Classes, log-in to your OASIS account. If you need help navigating OASIS, watch the USF OASIS Tutorial.

Note: Registration occurs through the first week of the semester. Students will add and drop classes constantly. Therefore, if you are not able to get your perfect schedule initially, please continue to watch for seats to become available.

If you have been instructed to request course permits, be sure to submit your permit requests as early as possible.
